FINAL PROGRESS REPORT

Project # E-15-604

Period: 10/10/91 to 12/09/91

***By: V. Gourisankar, Principal Investigator.
(404) 894-7772***

The Design Influence system has been fully implemented and demonstrated. The planning, analysis, and design of the RMT&S has been, for the major part, completed.

The following specifications for the RMT&S systems were completed:

Data Element Identification List
Decomposition Diagram
Action Diagram
Relational Table Layouts
Screen Designs

The implementation of the RMT&S modeling system has begun.

The possibility of SYBASE acting as the developmental platform is being analyzed.

If there are any further questions, please do not hesitate to contact me.

Sincerely,

V. ~~Gourisankar~~.
